MOST COMPREHENSIVE  
REMEDIATION SPECIALIST

## OUR CUSTOMERS

### SUNDT CONSTRUCTION

**BUSINESS:**

A leading construction company based in Sacramento

**JOB TYPE:**

A Public Utility Commission project with PALS on remediation with a budget of \$550 million, manpower of 130 and eight-year commitment length

“

*They're conscientious, and willing to work through issues and solutions.*

Sam Reidy, Manager  
Sundt Construction

### ACME CONSTRUCTION

**BUSINESS:**

A general contractor based out of Modesto

**EXPERIENCE:**

Valued customer for at least 15 years of both PALS and W.C. Maloney

**JOB TYPE:**

General demolition and abatement work including the entire campus of a 100-year old elementary school

“

*Service is the number one reason we use PALS and W.C. Maloney. If we need something done by a certain time, it gets done. If there are issues that weren't exactly the way something was bid, as long as something isn't too overwhelming, they take care of it. They are very capable, but the thing that sets them apart is the service and attention to the customer.*

Mike Mastagni, Vice President,  
Acme Construction
